

Please read entire instructions before assembly and use.

Warning

The Paumco Extended Backstop is intended to be used with various operating equipment such as a utility tractor or a skid loader. Operator should know how to properly operate his/her machinery in a safe manner BEFORE using the Paumco Extended Backstop.

Paumco Extended Backstop Assembly Instructions

*Before you begin, be sure to inspect entire unit for damage and defects. If found, DO NOT USE unit and contact Paumco Products.

Parts List: (Check to make sure all parts are enclosed)

Part:	Qty:
Side Panels (LH & RH)	2
Back Panel	2
Extension (74", 80", 96" only)	1
3/8" x 1" Bolts	30
3/8" Flat Washer	60
3/8" Lock Nut	30

1. Begin by fastening Side Panel to Back Panel using the bolts provided. (Make sure expanded metal is on backside when mounting)

2. Repeat for other side.

3. Once both Back Panels and fastened to Side Panel. Bolt both assemblies together as illustrated below. For 74", 80" and 96" units add additional extension.

(Make sure expanded metal is on backside when mounting)

Extended Backstop Bucket Mounting.

- 1) The Paumco Extended Backstop is held on by two bolts through the side of the bucket. (NOTE: Paumco Buckets come standard with these mounting holes in place) If your bucket does not have these, then the holes will have to be marked and drilled.
- 2) To mark proper location, slide backstop in place and clamp into place.
- 3) Center punch the locations of each mounting hole onto your bucket.
- 4) Drill the two .575" diameter hole on each side.
- 5) Once drilled, replace the backstop back onto the bucket and bolt lightly into place. See Figure below

Warranty Information

Paumco Extended Backstop is manufactured by Paumco Products, Inc.

Paumco Products, Inc. warrants to the original consumer- purchaser that this product shall be free from defects in workmanship and materials under normal and reasonable use and correct assembly for a period of one (1) year from date of original purchase.

Paumco Products will, at its option, refinish or replace any product or part found to be defective during the warranty period. Paumco Products may require you to return the part(s) claimed to be defective, for its inspection, freight or postage prepaid.

Paumco Products requires proof of purchase on all warranty claims.

This warranty does not include the cost of any inconvenience or property damage due to failure of the product and does not cover damage due to misuse, abuse, accident, damage arising out of transportation of the product, or damage incurred through commercial use of the product. This express warranty is the sole warranty given by Paumco Products. Paumco Products' maximum liability, in any event, shall not exceed the purchase price of the product paid by the original consumer-purchaser.
